

ICF WILDWATER CANOEING

DUNAREMETE

WORLD CUP 1+2

5-6 JUNE 2026

## WELCOME FROM THE ORGANISER

It is a great pleasure to welcome you all to Dunaremete for the 2026 ICF Wildwater Canoeing World Cup. We are proud that Hungary has the opportunity to host this prestigious international event and to welcome the world's best wildwater athletes to one of the newest and most exciting venues in the region.

Although Dunaremete is a small village, it holds a special place in Hungarian canoeing as the home of the country's first slalom and wildwater course. Set in a unique natural environment and regulated to provide safe and reliable racing conditions, the course offers an ideal stage for all events. We believe that competing here will be a memorable experience for athletes, teams, and spectators alike.

Our aim is to deliver an event that combines high sporting standards with a friendly and open atmosphere. The 2026 ICF Wildwater Canoeing World Cup is not only about top-level competition, but also about bringing the international wildwater canoeing community together—sharing knowledge, building connections, and inspiring the next generation of paddlers in a discipline that is still developing in Hungary. Building on strong tradition of hosting major international canoeing events, including World Championships and World Cups across several disciplines, we are proud to continue this legacy and to contribute to the growth and visibility of wildwater canoeing both nationally and internationally.

***We wish all participants good health, successful preparation, and exciting races.***

***Above all, we hope you enjoy your time in Dunaremete—on and off the water.***

## **ISTEN HOZOTT AND WELCOME!**

On the following pages, you will find all the essential information to help you prepare for your journey to Dunaremete. In addition to a general introduction to the city, this guide includes the most important details about the course, competition and participation.

The Hungarian Canoe Federation looks forward to welcoming you to the 2026 ICF Wildwater Canoeing World Cup, taking place from 5 to 7 June 2026.

## LOCATION & ACCESSIBILITY

### *GENERAL INFORMATION ON HUNGARY*

Population: 9.6 million

Area: 93.036 km<sup>2</sup>

Capital: Budapest (Territory: 525 km<sup>2</sup>)

Time zone: GMT +1 hour

Official language: Hungarian

State form: republic

Hungary is a landlocked country in Central Europe surrounded by Slovakia, Ukraine, Romania, Serbia, Croatia, Slovenia and Austria. The Danube River forms part of Hungary's north-western border with Slovakia, and then flows south through Budapest, dividing Hungary into two general regions. A low, rolling plain known as the Great Hungarian Plain, covers most of the region east of the Danube extending east to Romania and south to Serbia. Hungary has a continental climate with cold, cloudy, humid winters and warm to hot summers.

## **DUNAREMETE**

Dunaremete is a small village on the Slovak border with a population of just 259. Despite its size, it is home to Hungary's first slalom course, located on a man-made Danube channel. The course is regulated by a dam and fully separated from both commercial boat traffic and floodwaters of the main Danube, ensuring safe and controlled water conditions for competition.

The Dunaremete Slalom Course (Sorjási-bukó) is situated approximately 1 km outside the village, next to the ferry house within a protected National Park area. Due to its location, official permission to organize competitions must be requested at least 30 days in advance. While the area hosts some canoe tourism, the sprint section of the course remains a restricted zone. Typical weather conditions in June range between 25–35°C, with flat terrain and occasional windy conditions.

The venue is located 3.3 km (approximately a 7-minute drive) from Lipót, a nearby village with 798 residents. Lipót offers a well-developed tourism infrastructure, including a popular thermal spa, restaurants, small shops, a bakery, and several hotels. The nearest major town is Mosonmagyaróvár, just 15 km away (around 20 minutes by car), with a population of nearly 35,000 and comprehensive services such as hotels, shopping centers, banks, and entertainment facilities.

Győr, the regional capital with approximately 130,000 inhabitants, is located 29 km from Dunaremete (around a 30-minute drive). As a university city, Győr offers a vibrant cultural life with festivals and concerts and has extensive experience in hosting international sporting events, including the Canoe Marathon World Championships. The Győr Canoe Club—Hungary's first club to introduce slalom and wildwater paddling—manages the Dunaremete course and operates the riverside facilities.

The Dunaremete Slalom Course was completed in May 2025. Since then, several slalom competitions have been successfully organized at the venue, including events with international participation. However, a downriver (wildwater) race has never been held on this course before, making the 2026 ICF Wildwater Canoeing World Cup a historic milestone for both the venue and the development of the discipline in Hungary.

## HOW TO GET THERE

Arrival by car is possible via the main road network, with direct navigation available through Google Maps to the Dunaremete Slalom Course (Sorjási-bukó).

### MAP

International arrival by air can be arranged via Vienna International Airport (approximately 1 hour 6 minutes by car) or Bratislava Airport (approximately 57 minutes by car). Both airports are well connected to major cities by train and bus services. Long-distance travel between major cities is commonly provided by operators such as FlixBus and Telekocsi.

From Mosonmagyaróvár or Győr, access to Dunaremete is available via local bus services only, including routes 3, 45, and 89.

To support participation from developing countries, limited boat transportation from the Banja Luka World Championships will be provided, subject to availability. Teams interested in this service are kindly requested to contact [sara.seprenyi@mkksz.hu](mailto:sara.seprenyi@mkksz.hu) in advance.

## ACCOMMODATION

**Please note: The hotels listed are only recommendations provided by the OC.** All bookings and related arrangements (including payment, invoicing, parking, late check-out, airport transfers, etc.) are the sole responsibility of the participating teams and must be handled directly with the selected hotel. The organisers will not be responsible for, nor able to answer questions about, or negotiate any matters related to your hotel booking.

## VISA

**All participants and officials requiring a visa to enter the Hungary must follow the official process outlined the National authorities.**

Participants are encouraged to reach out to the Hungarian Embassy or consulate in their country or the nearest one, well in advance to inquire about visa requirements. The process of obtaining a visa for Hungary can vary depending on the region, so it is advisable to allow for a 45-day processing period to secure the visa in time.

### **THE TYPICAL STEPS FOR OBTAINING A VISA ARE AS FOLLOWS:**

- 1.** Email your visa request to [wildwater2026@dunaremete.com](mailto:wildwater2026@dunaremete.com) to receive the Visa Application Form.
- 2.** Send the completed Visa Application Form to the HOC by 7 April 2026.
- 3.** The OC issues the Letter of Invitation contacting the Hungarian Embassy / Consulate serving in your country / territory and do the paperwork they request from you.
- 4.** Visa issuance

Please be informed that the OC will not issue an invitation letter without knowing your team's arrival and departure dates, accommodation details, the number of participants and their identities. If final team selection is pending, a long list of all potential athletes and officials may be submitted to avoid delays.

The Ministry of Foreign Affairs of Hungary and the respective embassy or consulate require the same information from us; therefore, we cannot support your request without your cooperation in providing this information by 7 April 2026.
